

Integrated Remediation Systems

Trailer mounted claw sparge

PD SVE

Rotary screw sparge

Skid mounted Claw DPE with OWS

Applications

- Soil vapor extraction
- Dual phase extraction
- Sound enclosures
- PLC/Telemetry based controls
- Submersible electric & pneumatic GW pumping Systems
- Air sparge/Bio-sparging
- Thermal & catalytic oxidizers
- Liquid phase GAC
- GW Filtration systems
- Welded steel panel enclosures
- Air stripping
- Oil/Water separators
- Vapor phase GAC
- Modified shipping containers
